Foreign economic operators

Spain - Guide to the required documentation

Introduction

RAI, as a "body governed by public law", is required to comply with Legislative Decree 50/2016 (Code of public contracts, hereinafter the "Code"), as a law of national transposition of the Directive 24/2014 / EU. For this reason, it can not interact with economic operators who incur the exclusion criteria indicated in art. 80 of the Code.

With the aim of facilitating the understanding of the Italian regulatory environment also to foreign operators who express an interest in registering with the Rai Supplier Register and / or to entertain commercial relations in general with Rai itself, the following country form has been drawn up of the provisions of art. 80 of the Code, indicates the corresponding provision of art. 57 of Directive 24/2014 / EU to be observed and the relevant national transposition norm in the Member Country examined.

The document summarizes the documentation required for the purposes indicated above. For each exclusion criterion provided for by Italian legislation, the European normative reference and the homologous reference in the country of origin are provided.

The informative source used was the on-line register of eCertis certificates (as per article 88 of the Code), consulted in July 2017, which, although not having a legal value, can be used as a useful guide to identify the documentation to be requested to prove the absence of the exclusion criteria provided for by the specific Italian legislation (Article 80 of Legislative Decree No. 50/2016).

When the necessary information has not been entered on the eCertis page for one of the criteria, "N / A" is shown on the tabs.

Documentation to be produced

In addition to what is indicated in more detail below, and to the integration of any information gaps, RAI may ask each operator to provide, pursuant to art. 86 of the Code:

proof of registration with one of the professional and commercial registers of the Member State of origin (see Annex XI of Directive 24/2014 / EU);

the certificate of the criminal record or in its absence, an equivalent document issued by its competent judicial or administrative authority;

a certification issued by the competent tax administration and, with reference to social security and welfare contributions, a document similar to the DURC issued by the relevant competent authority.

All documentation is required in Italian or in the original language accompanied by a certified translation into Italian and can be sent by certified e-mail. Rai reserves, upon justified request, to accept it in the language of origin of the operator.
